### How to Get Your Insurance Company to Pay For Your Safety Program

A simple and effective 3-step safety plan to keep your employees and customers safe. You'll avoid the fluff and scare tactics of most safety training and get to the heart of what works in the real world with proven prevention principles.

Best of all, you'll get the insider tricks to get your insurance company to pay for your program.

---

*Brett Thompson started his insurance career in 2004 as an intern while attending Southern Utah University. Upon graduation, he moved his young family to Heber City, UT where he was the only commercial insurance employee. Wearing all insurance hats for those five years taught him a lot. In 2010, He and his wife moved home to St. George, UT. They are raising four active and independent kids. They are extremely active in the business, adventure, sports, theater and music cultures of Southern Utah.*

*Brett has achieved the exclusive Certified Insurance Counselor (CIC) and Certified Risk Management (CRM) designations. He serves on the board of directors for the Utah Independent Insurance Agents Association and on the exclusive Liberty Mutual Regional Agents Panel. He has a passion for preventing problems, protecting the public and providing vast insurance industry resources when catastrophe strikes.*
